Re: *Onischuk v. Town of Canmore et al.*
Appeal No. 1201-0014AC

This is in response to your two letters of June 18, 2013 and one letter of June 20, 2013. The panel will not be issuing a clarification of its decision.

As always, it is recommended that you seek legal advice, particularly on how the Court of Appeal order would apply to other levels of court.

You mention that you only recently discovered the Memorandum of Judgment released for this appeal; the Registry had left a message for you the day prior to its release so that you could access it online. You also mention obtaining a clear copy; since it is available online at www.albertacourts.ab.ca, you could print one from there.

Yours truly,

A handwritten signature in cursive script, appearing to read 'C. Schlenker'.
